

WHAT IS FUSION FLEX?

- Curriculum for Kindergarten through Grade 12
- Ability to decide on a **core** subject and grade level curriculum while allowing teachers to add their own creativity and style
- Instructed by your district professional staff
- Developed by experts such as IU1 Curriculum Specialist and certified teachers
- Aligned to PA Standards
- Content includes:
 - 4 Core Subject Areas (3-5), ELA and Math (K-2)
 - Core curriculum including electives (6-12)
- Allows for **flexibility** in instruction, can be used as stand-alone, online curriculum OR as a supplement to face-to-face instruction in a flipped classroom
- Content is **editable**, district staff can modify courses and include district resources as needed.
- Engaging features and activities
- Content can be delivered via Moodle and/or Google Classroom. Districts can choose the option that best fits their individual school/classroom needs.
