

# INTERMEDIATE UNIT 1

TITLE: PRE-SCHOOL PROGRAMS

ADOPTED: August 12, 2004

REVISED:

131. PRE-SCHOOL PROGRAMS	
1. Purpose	The Board recognizes its responsibility for the development, assessment and improvement of student achievement for pre-school children.
2. Authority Act 212 IDEA Chapter 14	The Board directs that all pre-school students with disabilities shall be identified, evaluated, and provided with appropriate educational services, in accordance with federal and state laws and regulations. The Intermediate Unit shall establish and implement a system of procedural safeguards and parental notification, when appropriate.
3. Delegation of Responsibility	The Executive Director is authorized to initiate and maintain pre-school programs when such programs are consistent with federal, state and Intermediate Unit objectives and appropriate funding.
