## Induction Consortium Information

### Course Options for Year 2 Days 1 and 2 Induction

You may take any one of the following courses as a substitute for Induction Year 2:

- Developing Cultural Awareness/ Sensitivity I Online
- Differentiated Instruction Strategies for the Classroom
- Instructional Materials 1 Online
- Reading Apprenticeship Part 1
- Building Your ePortfolio (will count for both Year 2 days)

Check the course catalog or Solutionwhere for dates.

**Note:** All courses do not run in each term.

### Note for Course Options for Year 2

For districts who participate in the Induction Consortium, the course fee is waived for their Induction participants. Participants must pay material fees and book costs for courses. Inductees should get the approval of their district induction coordinator before selecting workshops or courses.

When teachers sign up online for courses from the CPE course list as a Year 2 Induction option, they must email Keith Golebie and Jera Hart that they are taking the class for induction as part of the Induction Consortium. Teachers should also notify their district induction coordinator that they are taking a course. Induction Consortium participants are responsible for the cancellation fee for courses if they do not show or do not email a cancellation, prior to the start of a course.
