

Level of Implementation Scale

Universal Screening	Not Yet Initiated	In Process	Fully Implemented
1. The school conducts universal screening of critical academic skills in reading and math at all grade levels.			
<ul style="list-style-type: none"> • Screening practices are predictive of performance on standards, efficiently administered and sensitive to growth. 			
<ul style="list-style-type: none"> • Sample Math: MBSP Computation/Concepts and Applications, 4Sight Benchmark Assessments 			
<ul style="list-style-type: none"> • Sample Reading: DIBELS, Aimsweb, 4Sight Benchmark 			
<ul style="list-style-type: none"> • School staff is trained to administer screenings consistently and with fidelity. 			
<ul style="list-style-type: none"> • Screenings are administered a minimum of three times per year. 			
2. The school conducts universal screening of behavior in all grade levels.			
3. Results of screenings are maintained in a database.			
4. The school produces user-friendly summaries of data.			
<ul style="list-style-type: none"> • Data is graphed and displayed for analysis and decision-making. 			
<ul style="list-style-type: none"> • Data reflects degree of risk across grades and with individual students. 			
5. The school possesses mechanisms to insure communication of screening data to:			
<ul style="list-style-type: none"> • Administrative teams 			
<ul style="list-style-type: none"> • Grade level and content area teams 			
<ul style="list-style-type: none"> • Student specific teams 			
<ul style="list-style-type: none"> • Parents 			
6. Grade level teams meet at least three times a year to review data from universal screening.			
<ul style="list-style-type: none"> • Data are prepared for the meeting in a teacher-friendly format and sent to teachers in advance. Principal decides who is the session facilitator and arranges the meeting logistics. 			
<ul style="list-style-type: none"> • School staff is trained in a data analysis team facilitation process that proscribes a structured format and rules for the team meeting.
