## Annie Sullivan Award

### STAFF NOMINATION FORM

Intermediate Unit 1 is again participating in the Annie Sullivan Award program, sponsored by the Pennsylvania Association of Intermediate Units.

The award, named for Helen Keller's teacher and friend, honors educators who go above and beyond their duties to facilitate acceptance of individuals with disabilities in school or the community.

The award is open to any staff member employed by Intermediate Unit 1. Please keep in mind, the award is intended to recognize an individual who goes beyond his/her required job duties, is respected by his/her peers and serves as a role model.

To nominate someone, complete the attached form and return to **Candace Dunn**, Director of Special Education. The *initial nomination* requires only the nominee's name, position and assignment. Throughout the school year, one can gather the specifics about the nominee's efforts to include students with disabilities in the school and/or the community. The final information about the nominee will be submitted by June.

Sometime in July, a committee, including a school district superintendent, last years Annie Sullivan award winners, and other IU 1 Central Office staff will determine the recipient based on the completed nomination forms.
